

Get Your Rent. Every 10th. We Handle the Rest.

Stop chasing tenants for rent.

Est8Ledger helps landlords collect and manage rent without the monthly stress of following up with tenants.

You get paid every 10th of the month.

We handle tenant onboarding, rent collection, follow-ups, inspections, and the day-to-day rental process — while you stay in control through your Est8Ledger dashboard.

Your Property. Your Rent. Our Responsibility.

Managing rental property shouldn't mean calling tenants every month, tracking payments on WhatsApp, or wondering who has paid.

With Est8Ledger, we take over the rent collection process and give you a clear view of what's happening with your property.

You get:

Paid every 10th

Know exactly when your rental income is coming.

One platform for everything

See your properties, tenants, rent status, payments and activity from one dashboard.

We manage tenant onboarding

From tenant registration to digital tenancy agreements, we help manage the process from the start.

We collect the rent

No more chasing tenants. We handle rent collection and payment follow-ups.

Move-in & move-out inspections

Keep a digital record of property condition and inspections.

Complete visibility

You don't have to take our word for it. Log in and see what's happening with your properties.

Choose the Plan That Works for You

Managed Rent

12%

For landlords who want Est8Ledger to take care of more of the rental process.

Everything in Rent Collection, plus:

- More hands-on tenant management
- Rent follow-ups and arrears management
- Tenant support
- Property activity monitoring
- Eviction process coordination where required
- Dedicated support

[Talk to Us]

See Everything. From One Dashboard.

You shouldn't have to ask your property manager:

"Has the tenant paid?"

"When was the inspection done?"

"How many units are occupied?"

"What's happening with my property?"

Est8Ledger puts the answers in your hands.

Your dashboard gives you visibility into:

Properties

See all your properties and units in one place.

Occupancy

Know which units are occupied, vacant or becoming available.

Rent

Track expected, collected and outstanding rent.

Tenants

View your tenant information and tenancy status.

Inspections

Access digital move-in and move-out inspection records.

Payments

See your rental payment history and records.

We Collect. You Get Paid.

Your tenant's rent shouldn't become your monthly headache.

Est8Ledger manages the collection process so you can focus on owning property — not chasing payments.

Tenant

Pays rent

Est8Ledger

Collects & manages rent

You

Get paid every 10th

Built for Landlords Who Want Less Hassle

Whether you own one rental unit or a growing property portfolio, Est8Ledger gives you the infrastructure to manage your rental income with greater visibility and less manual work.

No more chasing tenants.

No more scattered payment records.

No more wondering what's happening with your property.

Just one platform. One view. One monthly payout.

Your Property, Managed With Transparency.

We believe landlords should always know what's happening with their property.

That's why Est8Ledger doesn't just collect your rent.

We give you visibility into the entire rental journey.

From tenant onboarding and tenancy agreements to inspections, rent collection and occupancy — everything is tracked in one place.

Ready to Make Rent Collection Easier?

Let Est8Ledger handle the collection while you stay in control.

Get paid every 10th.

Track your properties.

Stop chasing rent.
